

TUTORING SERVICES

Academic Tutoring During the School Year for current students and non-Brighton students
Individual 1:1 tutoring is available for Brighton Students during the day or after school in all subject areas. Fees for tutoring are not included in regular tuition fees, and are charged to student accounts and billed monthly. Tutoring registration forms for current students are available from the Parent Login section of our website, under Forms. Tutoring is also available after school for students not attending Brighton School. Please contact the school at 416-932-8273 ext.2 to enquire about our tutoring programs and fees.

Tutoring Services may be custom-developed to meet the specific needs of a student, or may be selected from some of our standard programs, such as:
